

David Cotterrell: CineCity

Venue: Brighton Film Festival, Brighton

Curators: Tim Brown

Date: 20th November 2006

The 4th edition of CINECITY presented a range of international cinema and features a global mix of premieres and previews, treasures from the archive, artists moving image and installations. At the core of its program, in 2006 CINECITY dedicated a strand to the celluloid city Shanghai, the first great city of the 21st Century, through a diverse selection of moving images including artists installations, features, documentaries and shorts.

Shanghai from the elevated highway (2006)
