

David Cotterrell: Architecture

Event Name: Presented as part of the Multistorey public lecture series.

Venue/Location: Kent Institute of Art and Design Graduate Architecture School

Date: 27th March 2006

Supporting Organisation(s):
KIAD

Chair/Other Speakers:
Carl Trenfield (Organiser)

Multistorey was a series of public guest lectures by international architects, artists and other professions. The series was hosted and organised by the Post-Graduate students of the Canterbury Graduate School of Architecture (Kent Institute of Art and Design).

The lecture explored the shared interests, but alternate approaches of Architects and Artists when aspiring to challenge assumptions and developing responses within the public realm.
